

Focused Kids
A Brain Empowerment Program

Family Brain Camp at The Roaring Fork Club

Come join FocusedKids to learn together about the developing brain and fun ways to create more calm and focus at home.

Event will include:

- An introduction to FocusedKids
- Mindful exercises for the whole family
- Building a calm down kit to take home

Walk away with a better understanding of what is happening developmentally in your child's brain AND in your brain. Feel more prepared for the school year ahead!

Camp ideal for parents and their children entering kindergarten through 3rd grade. Camp will be held at the Roaring Fork Club Library

Three hour camp July 30

From 2 PM to 5 PM

Investment: \$150

Lead by Amanda Petersen, LPCC, NCC
Mental Health Counselor and Program
Director of FocusedKids
